Dear Friends,

Since 1977 GHS has worked to enrich the quality of life in Georgetown by assisting in the preservation of buildings, documents and writings; perpetuating local customs and traditions; disseminating knowledge, providing education and promoting interest in the community; and cooperating with others to realize these goals. This is our mission.

However, on a daily basis we get asked 'simple' questions ranging from buying historic property, available repair and remodel services, resources for antique appraisals, to wedding and event related reception venues and services.

We are asking for your support as a business member and in return offering support to you and the community. Help us help out!

Join the GHS. Business is waiting.
